

## HEAVY DUTY SHIELDS

Designed to serve and protect, Linemaster's heavy duty foot switch shields perform double duty for manufacturing users, O.E.M.s and distributors everywhere. This is an exclusive feature for our popular Hercules, Atlas and Anti-Trip foot switches. The oversized "O" and "OX" models will easily accommodate your bulkiest safety shoes and metatarsal guards. LINEMASTER® foot switch shields create a durable barrier between you and some of the toughest environments. Only From LINEMASTER® - American made innovation at work.
