

# TREADLITE F

## F O O T S W I T C H

▲ The LINEMASTER Treadlite F foot switch offers reliable, high quality, and long life performance. The rugged formed steel low profile housing is ergonomically designed and helps reduce operator fatigue. The non skid cover and base pads provide for a stable actuation. The Treadlite F offers an EN 60529 Degree of Protection IP20 (IP68 upon request). Full and oversized guards are available for added protection. Do you have special requirements? Please contact Linemaster for a quotation for a custom variation built to your specifications, including cordset, paint finish and labeling.
